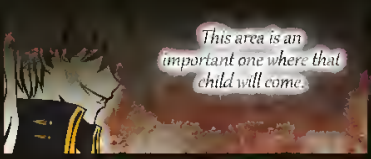
There are two reasons why I assigned areas for all of you.

One, to sustain the food pyramid, and...

Two, for "that child"...



Billikens...

E-Excuse me...

Thank you

I'm not sure about the
areas, but we'll be careful
from now on, so please look
it over just this time.

Lenz...
Who is this?
Ah, I
just met her,
she's-
.....
Yes,
what's your
name?
Now that
we think of it,
we haven't even
introduced our-
selves.

Nice to
meet you!
I'm Alice.
Let's get
along.

So, you're Alice,
huh! I'm Lenz.
Yeah,
Lenz! Thanks
for saving me
before!

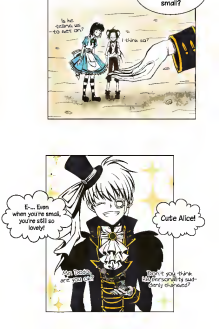
MISTY ROIN

Are you Mr. Dodo?
Mr. Dodo?
A-...Air-...

Mr. Dodo!!
Which story are you going to tell me today?

Alice...

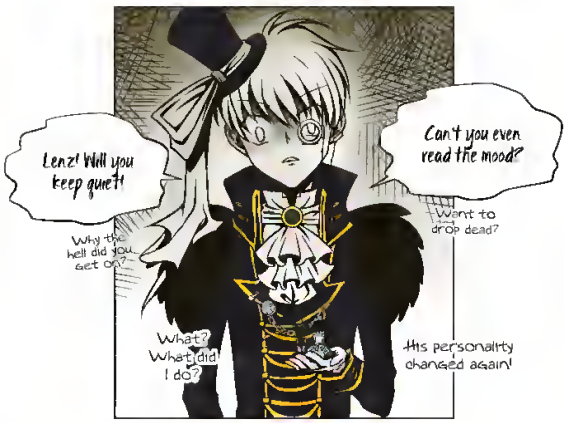
Alice!?
Smile
Kya! That scared me!
Why did you suddenly go?



...I'm sorry... I didn't recognize you because you got so small.

H-... Ho-... How did you end up being so small?
Is he asking us to tell it?
Haha, no?

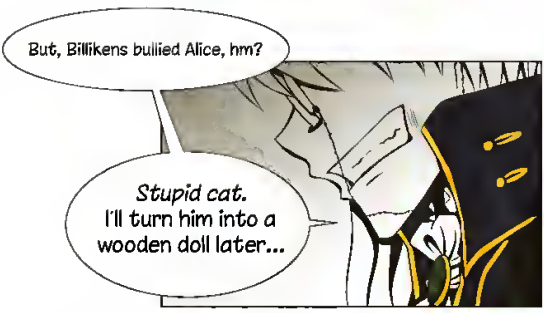
E-... Even when you're small, you're still so lovely!
Cute Alice!
Don't you think Mr. Dodo's personality is sort-of changed?
Yes! Exactly and you're right!



Lenz! Will you keep quiet!
Can't you even read the mood?
Why the hell did you get on?
Went to drop dead?
What? What did I do?
His personality changed again!

Lenz is a nice rat. He saved me from the cat
Hehehe
Well, as a male I did what I was supposed to do

S-... Sin-Since he saved Alice, I won't punish Lenz.



But, Billikens bullied Alice, hm?
Stupid cat. I'll turn him into a wooden doll later...

MISTY Rain

I'm fine. He must have mistaken me for a rat because I got small
C-Calm down!
Boing!!
YOU, WEREN'T YOU A RAT?

A-Alice..
You shouldn't eat anything in this world.

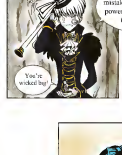
Pulls

!!

POOF!

Whoa- I got big again!
Thank you, Mr. Dodo!
THANK YOU!

Mr. Dodo?
WOW
OMG!



I- I-I'm sorry Alice.
I must've made a mistake in controlling my power. I'll turn you back to your size..
You're wicked big!

Huh? This is my original size though?
Am I too big?
!?

A- Alice? I'm sorry, but how old are you?

I don't remember, but I'd be about fourteen or fifteen years old when I'm about this big!
Wow! Alice, you're so old!!

MISTY RAIN

Fourteen or fifteen?
Calling me old, how mean!!
It's true though! You're at about the age where you'll decide on your future!
Not seven or eight?

She's not a young girl!

- When Alice first met Carroll, she was 4, and when she heard the story from Carroll, she was 10, but in [Alice in Wonderland], Alice appears as 7. In the final chapter of [Alice in Underground] which Carroll personally gives Alice as a present, there's a photo of Alice when she was 7 that Carroll took, and there's a drawing of Alice that Carroll drew himself hidden under that.
